1. By Soviet Navy order, Warnemuende will become a Soviet Naval base. It is rumored that it will be a base for a flotilla of torpedo boats. Dock installations will be reconstructed first. Construction of submarine pens is being considered. The persons in charge of the reconstruction work are billeted in the Hotel Huebner, Warnemuende.

2. Rostock is to be used exclusively as a commercial port for Mecklenburg. At the end of November, the dock area had been closed off by a wooden fence. Boxes and crates of requisitioned material piled 8 to 12 meters high and covering an area 100 x 10 meters were stored inside the area.
